Dance Marathon (THON™), a year round fundraising event benefiting The Four Diamonds Fund, Conquering Childhood Cancer, at the Penn State Children's Hospital. Over the past 30 years, THON™ has provided over \$30 million to The Four Diamonds Fund and helped thousands of children and families fight pediatric cancer through superior care, comprehensive support, and innovative research.

Join us on April 29, 2006 for the inaugural 24-hour Extreme Adventure Trail Run to raise money for THON™. Unlike many other charity races, the focus is time over a fixed distance where runners will log as many miles as possible over a 24-hour period. Runners can compete in Solo or Team categories including Corporate/Charity Extreme Team. Teams will consist of three (3) to four (4) people. Each charity team or solo runner from the 24 hour adventure trail run will raise money for the Penn State IFC/Panhellenic.

Join us for the experience of a lifetime, while helping to raise money for a noble cause. For more information & registration, please visit:
